

**WIFAK**  
**HUMANITARIAN ASSOCIATION**  
Elevating Values and Humanity

## Who we are

A non-profit civil association with an independent legal personality, duly licensed in Turkey, working in the humanitarian and developmental field and seeking to alleviate the suffering of human beings, focusing its work on Syrians inside and outside Syria.

## Our vision

To plan and implement relief and development work that meets the humanitarian needs and obtains the trust of the community through efficient and organized work.

## Our values

The correct application of the rules and values of humanitarian action that call for equality, justice, impartiality, independence, transparency and participation in work without prejudice or discrimination between race, sex or religion.

## Our message

Unite the humanitarian efforts to make a positive change in human life through humanitarian and developmental projects to alleviate human tragedies, in order to prepare a promising generation in a society of high standards and safety.

## Our goals

- Coordinating and developing humanitarian civil work and building the capability of humanitarian associations and civil society organizations, and strengthen community work in various fields.
- Provide humanitarian support to those in need, giving priority to Syrians at home and abroad.
- Changing the current relief work from a narrow concept to a comprehensive development concept that leaves positive marks on society.
